vs.

CITY AND COUNTY OF SAN FRANCISCO,

Defendant.

Case No. C-07-3622 SI

(Consolidated with Case No. C-08-2406 SI
and C-09-2652 SI)

**[PROPOSED] ORDER TO PERMIT
FILING OF STATEMENT OF
UNDISPUTED AND DISPUTED FACT
WITH PLAINTIFFS' AND
DEFENDANT'S MOTIONS FOR
SUMMARY JUDGMENT
(Local Rule 56-1(a) and (b))**

1 By prior order of the court, the motions for summary judgment are scheduled to be filed no later
2 than January 8, 2010, the oppositions are due by January 22, 2010, the replies are due January 29, 2010,
3 and hearing on the motions for summary judgment no later than February 12, 2010. Jury trial in this
4 case is currently scheduled for March 29, 2010. None of these dates need be changed.

5 There are no less than approximately fifty one (51) depositions compiled so far (14 by plaintiff,
6 37 by defendants), and likely about eight expert reports in this matter which will be in large part the
7 basis for cross motions for Summary Judgment. There are also tens of thousands of pages of documents
8 which comprise the discovery to date. In order to avoid unnecessarily lengthening the briefs in this
9 matter, the parties seek Court authority under Local Rule 56-1 (b) to file Statements of Undisputed Fact,
10 and later the Statements of Disputed Fact. The organization of the briefing and corresponding listings
11 of disputed and undisputed fact should shorten the Memorandum of Points and Authorities as well as
render the Points and Authorities concise.

12 The Northern District Local Rules, Rule 56-1 (a) indicates that no Separate Statement shall be
13 filed unless by order of the Court under Rule 56-1 (b).

14 Good cause exists to PERMIT the filing of disputed and undisputed facts in order to expedite
15 review and consideration of the extensive evidence in support of the claims and defenses in this case in a
16 concise manner.

17 **IT IS SO ORDERED.**
